

ComfortFit's **NEW SINGLE FLAT RATE PRICE** Orthotic  
Repair Service  
We repair and refurbish orthotics made by any lab at one  
low flat rate price  
ALL WORK GUARANTEED FOR 6 MONTHS

**For a single flat rate your patient's old orthotics brought back to  
life - no matter what it takes.**

That's right; our new single flat rate repair service will provide you with new top covers, new bottom covers, new posting, arch fill, poron extensions or poron over the shell and replacement of most standard accommodations as required all for one single flat rate.

In these tough economic times you can now offer your patients a low cost alternative to new orthotics. Orthotics manufactured by any lab can be refurbished to a like new condition and fully guaranteed for 6 months.

- All repairs eligible for our Comfort Zone 2-year protection program.
- All materials are medical grade.
- Shell replacement is not included in these repair services.
