

Dr. Campbell practiced in Scottsdale, Arizona with Gerald Quinlan, DPM from 1987 until 1995 and then opened her own practice in Paradise Valley in 1995 where she worked until 2012. Her areas of interest included forefoot surgery, diabetes, wound care and biomechanics. She is currently writing an article for the Sjogren's Syndrome Foundation concerning the treatment of peripheral neuropathy. Dr. Campbell is a Phoenix Advisory Council Member and Ambassador for the Sjogren's Foundation.

Additionally, she has been an advisory board member for Arizona Podiatric Medicine Program Midwestern University, Glendale, Arizona since 2005 and a physician member of the Arizona State Board of Podiatry Examiners since August 2010. ComfortFit Labs is an Advisory Board member of APMSA, and as part of this partnership Dr. Campbell will help develop a mentoring program for graduates. Additionally, Dr. Campbell will publish articles on our website, manage a new *Ask the Doctor* feature on our website and work with us on product development.
